

AVENUE 18 COMPUTER
Expert Anti-Virus Services
Since 1989

**Are you Hijacked?
System Slow, behaving oddly?**

Stop Spyware infections from ruining your WEB experience! No single program can clean and speedup your system or remove all malware. Only a specialist with multiple tools & extensive experience can clean, tune and optimize your PC and reveal it's maximum potential. We can provide upgrades and assess PC overall health.

Remove Rogue Spyware!
Zap Popups and System Infections

We clean up your PC infections — then to safeguard your PC we
1) Add 3 Virus Protection tools
2) Replace your failed, ineffective and SLOW anti-virus program
3) Install all Microsoft security patches and service packs
4) Review safe computing habits and AV tools.
5) add printed help guides

PERFORMANCE UPGRADES FOR PC & LAPTOPS

Avenue 18 Computer...

...is your source for laptop and desktop memory and Hard Drive upgrades! Not sure if your machine is suitable for memory or hard drive upgrades? We can evaluate your PC for the most correct upgrade path. XP RAM Limit: 3.2 GB is the upper limit that classic XP uses, so a 1-2 GB Upgrade is most common.

Prices vary but a typical 1GB Chip runs \$89-129 depending on age and model of your computer; older ram may be more expensive than the latest style ram. Chips come in 512/1/2 GB sizes

We provide Data Cloning for \$99.00 where we clone your old working drive to your new, larger capacity hard drive. Option: Convert your old hard drive to an external usb backup drive (add \$48.00).

Ram Memory

2-GB, PC 6400/800 \$ 79.00

2-GB, PC 5300 Laptop \$ 59.00

Hard Drives

WD SATA 1TB \$119.00

WD SATA 500GB \$ 69.00

Call with your Brand and Model #
for your latest upgrade price!
